

Merci, Anne- Cécile!

Anne-Cécile helps to Promote Creativity & Intercultural Understanding in MFL

Year 7 and 8 students at CRHS have had the opportunity over the last two weeks to develop aspects of the New Secondary Curriculum, with help from our French Language Assistant: Anne-Cécile.

Year 7 have been working on writing their own songs and raps in French. They have performed these in front of their peers with one class inviting in year 13 judges. Another class hit the school corridors to search for staff members to watch their performances. One group were especially proud to receive a full 20 points out of 20 from Dr Haddouche and Mrs Preston and 18 from Mrs Tomaszewska. The winners in each class were also very happy to receive certificates from Anne- Cécile.

Year 8 have been designing 'menus bizarres' and creating TV adverts for their own 'restaurants'. Anne- Cécile has helped them come up with interesting adaptations of French menus including dishes such as 'soupe aux croissants' and 'café au yaourt'. This week, students have enjoyed bringing in props and filming their adverts. We are looking forward to watching the final results and awarding prizes for the most creative pieces of work.

Over the year, Anne- Cécile has provided our students with an excellent opportunity to practise their spoken French and also to find out more about the French way of life and culture. Anne-Cécile is leaving us at the end of May so we would like to say 'Merci', 'Au Revoir' and wish her 'Bon Voyage'!
